Your instructor requires WileyPLUS!
Here’s what you need to know:

WileyPLUS is an online learning solution that gives you the tools you need to succeed in this course. You can:

- **Read, Study, & Practice** by accessing the complete online version of your text and other study tools.
- **Take Assignments** that provide instant feedback and context-specific help.
- **Access the Gradebook** to track your progress and grades.

If you have not used WileyPLUS in a previous chemistry course you will need a new registration code to access WileyPLUS. It’s your choice to buy it with or without the printed text:

- Buy the new, printed text in the bookstore and a WileyPLUS registration code will be included at no additional cost.
- If you prefer to use the online version of your text in WileyPLUS go to: [www.wileyplus.com/buy](http://www.wileyplus.com/buy) and save 60% off the price of the print text!

If you have used WileyPLUS in a previous chemistry course you do not need to buy a new registration code.

To get started, go to [www.wileyplus.com](http://www.wileyplus.com). Or try the following URL.

[https://edugen.wiley.com/edugen/secure/index.uni](https://edugen.wiley.com/edugen/secure/index.uni)

- Select the ‘Get Started’ button under the students section.
- Enter South Dakota School of Mines and Technology and search.
- Expand the ‘General Chemistry’ option.
- Select the green arrow after ‘General Chemistry II’ with the instructor Justin Meyer for the spring semester.
- You will then have the option to login (if you have used WileyPLUS before) or register your activation code (if you have not used WileyPLUS for chemistry before).

*If you have previously registered for WileyPlus in Chem 112 or Chem 114 make sure you use the same email you used during that registration to avoid any problems with login. If you are not sure which email you used, contact your instructor.*

Once registered, you can log in at [www.wileyplus.com](http://www.wileyplus.com). From here you can also access other helpful resources such as the 1st Day of Class and Technical Support websites.

*We hope you enjoy your WileyPLUS Experience!*
